Dear Assistant Secretary Michaels:

As Chair of OSHSPA, I would like to take this opportunity to nominate Mr. Chuck Stribling of Kentucky for one of the two state representative positions on the Advisory Committee on Construction Safety and Health (ACCSH). Kentucky is one of 27 State OSHSPA members that administer a state-operated program for occupational safety and health. Mr. Stribling has been employed for over eighteen (18) years by the Kentucky Labor Cabinet and has served in various roles such as OSHA compliance officer, OSHA compliance supervisor, OSHA Standards Specialist and OSHA Federal-State Coordinator. In addition, prior to joining the Kentucky Labor Cabinet, his construction experience included work in the masonry, HVAC and maintenance industries.

Mr. Stribling is a member on the NIOSH National Occupational Research Agenda Construction Safety Council, where he currently serves as the co-chair for the Construction Culture workgroup and he participates in several other workgroups. Mr. Stribling is also a certified Safety Professional and an appointed member to the Kentucky Governor's Executive Advisory Safety Committee.

I believe Mr. Stribling's excellent qualifications and knowledge will allow him to immediately make meaningful contributions to the ACCSH Committee and will help to ensure continuity of State Plan input on a national level. Mr. Stribling heartily consents to the nomination, and recognizes the commitment and responsibility associated with serving on ACCSH.

Mr. Stribling's contact information is:
